

Use your power for good!
Build Houses. Build Hope. Change Lives!

Habitat Broward's Women Build promotes the involvement of women in the construction of safe, decent, affordable homes in partnership with families in need. Hundreds of Broward County women have already built more than 40 homes and will build eight more homes this year!

So, get your hands dirty and join Habitat Broward as we continue to build our "Legacy" of empowering families to break out of the cycle of poverty and restore their hope for a brighter tomorrow. Together we can make a difference!
